Mark this date on your calendar! Come join Co-Ag for a day filled with facts and information. The scheduled speakers will discuss some of the issues and problems that will affect your farming decisions for the coming season.

The renovations at the Casino have finally been completed! That means we will be moving the registration table back to the top of the escalators. Please use the Sunset Hotel entrance. It is the closest entrance to the conference rooms. As you walk past the Hotel front desk towards the casino go PAST the set of stairs. After you pass by the little gift shop take the first doors to the left go up the escalators and there you are.

Attend our meeting, listen to the speakers, ask any questions you may have. Sit down and enjoy an excellent buffet lunch and discuss what you have learned with your friends and neighbors. Washington, Idaho and CCA pesticide re-certification credits have been applied for. Speakers are confirmed, but subject to change. If you have any questions, call Alan at (509) 523-3511 (office) or (509)280-7999 (cell).

FYI— Co-Ag will be giving away door prizes during the meeting but you must be present to WIN!!! We hope to see you there!
